“Faith Alone in Christ Alone”

Greetings from all of us at Grace Evangelistic Ministries. The Lord has been gracious to open many doors for us and we have been so busy that time has slipped away. As this year draws to a close we want to bring you up to date and share what the Lord has been doing.

Please know that you have remained in our prayers and that God is answering your prayers! We hope you will enjoy this special edition of GNT with a few pictures and comments from our last mission trips and church visits.

Since our last newsletter we have traveled to Bristol, U.K. and Crete, and back to Bristol. We will finish the year with a trip to SE Asia in November. We will visit two locations in Myanmar (once Burma), then travel on to Vietnam and South Korea. Stateside we had the GEM Summer Fellowship in Nashville and trips to visit churches in Texas, Idaho/Washington and Colorado. It was great visiting with many of you along the way.

We are very encouraged to see the evidence that God continues to build His Church just as He promised. So many people are so hungry for the truths of the Bible. Often they are hearing—for the first time—that salvation is a grace gift through faith alone in Christ alone and is not obtained by works.

Hope is being spread and lives are being changed. We thank God for what He is doing in our day and we are thankful for you and your prayers. We know that prayer paves the way for all we do and protects us as we travel to take the good news around the world.

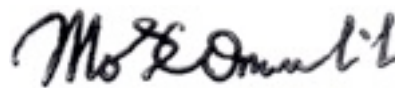

As the year draws to an end and thoughts turn to celebrations of Thanksgiving and Christmas we thank God for you and for our many blessings. And most of all for our Savior - God's Indescribable Gift to us!

It is my prayer that God will equip and strengthen you and shower you with great joy. To the only God our Savior be glory, dominion, majesty and power

both now and throughout eternity. In Christ's name. Amen.

“Eternal God is our refuge, underneath are the everlasting arms!”

In the Grip of His Grace,

Moses C. Onwubiko

Mission Pictures & Letters to G.E.M.

My prayers are with you and your ministry. I have many of your books and I share your ministry with people in Ghana and Nigeria. However, everyone knows of Moses from Africa, the man who teaches of God.

Even my friends here in the U.S. who escaped Liberia and Sierra Leone to refugee camps. All say "Ah, Moses, we know of Him." I just wanted to say I am glad to see your ministry prospering and I will continue to pray for you always.

Bless you,
Rev. Moses teaching in my church in Manchester was so great, motivating, encouraging and life changing. We are sincerely very blessed to have him in our church. We are hungry of his staying more days if not weeks with us.

May God continue to guide him, his family and the entire GEM.

How beautiful are the feet of those who bring good news! (Romans 10:15)

I would like to order the book "Disaster God's Warning Bell" I have read all your books except "Disaster". I have enjoyed reading them and sharing what I learn with others and try to get them to order your books also.

I don't have a T.V. so I read a lot of books if I can get my hands on them and i reread them after a couple of months and find more that I missed the first time around.

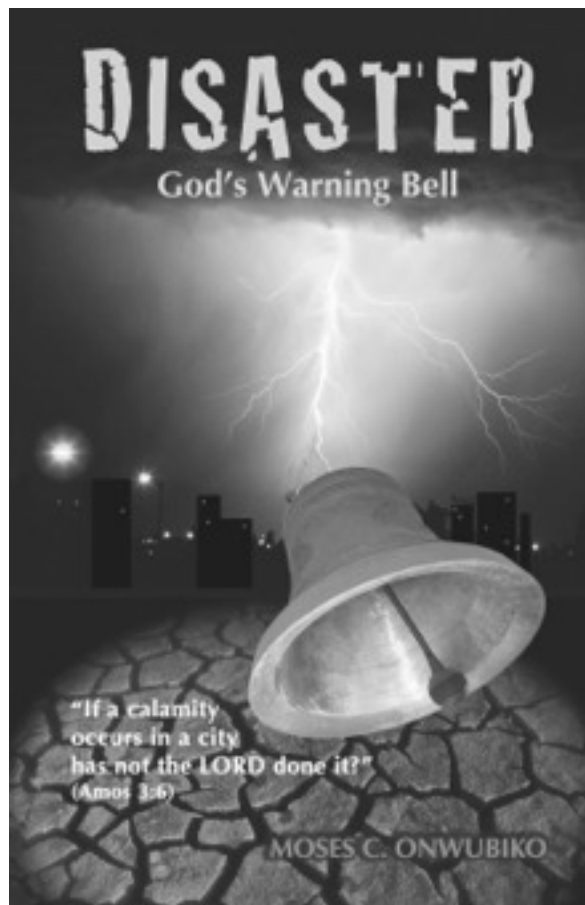

I want to thank you and God bless you.
